

Holy Moses I have been removed  
I have seen the spectre he has been here too  
Distant cousin from down the line  
Brand of people who ain't my kind  
Holy Moses I have been removed

Holy Moses I have been deceived  
Now the wind has changed direction and I'll have to leave  
Won't you please excuse my frankness but it's not my cup of tea  
Holy Moses I have been deceived

I'm going back to the border  
Where my affairs, my affairs ain't abused  
I can't take any more bad water  
Been poisoned from my head down to my shoes  
Holy Moses I have been deceived

Holy Moses let us live in peace  
Let us strive to find a way to make all hatred cease  
There's a man over there  
What's his colour I don't care  
He's my brother let us live in peace  
He's my brother let us live in peace  
He's my brother let us live in peace
